Legal basis

Ordinance for the examination leading to the recognised advanced training qualification of Bachelor Professional in Print from 18.12.2020, (Federal Law Gazette, BGBl. I p. 3050)

6. OFFICIALLY RECOGNIZED WAYS OF ACQUIRING THE CERTIFICATE

The advanced vocational education and training is obtained by passing an examination before the competent body specified under 5. Before sitting the examination, candidates must provide proof of

1. *a successfully completed final examination or journeyman's examination in the recognized training occupation in the print and media industry*
2. successful completion of the final examination in another recognised training occupation followed by at least two years of relevant occupational experience or;
3. the earning of at least 90 ECTS credits in a business-related course of study and at least two years of relevant occupational experience or
4. at least five years of relevant occupational experience or
5. relevant vocational skills and competencies.

Additional information

The skills and competences of which proof is to be furnished in the further training examination are usually acquired during many years of practical work and within the framework of education measures. Courses are offered in preparation for the examination; their duration and content is geared to the different specialist and managerial tasks.

Passing the examination also confers the qualifications required to provide training on the certificate holder, pursuant to Section 30 Para 5 Vocational Training Act (*Berufsbildungsgesetz*).

Translations of the certificate can be obtained from the competent body named in section 5 above.
