

## 1. TITLE OF THE CERTIFICATE (DE) (1)

**Abschlussprüfung / Gesellenprüfung im staatlich anerkannten Ausbildungsberuf  
Estrichleger und Estrichlegerin**

(1) in original language

## 2. TRANSLATED TITLE OF THE CERTIFICATE (EN)(1)

**Final examination / journeyman's examination in the state-recognized training occupation  
Screed layer**

(1) This translation has no legal status.

## 3. PROFILE OF SKILLS AND COMPETENCES

- Work either alone or with others to execute works on the basis of technical documentation and work orders
- Plan, prepare and organise work tasks and coordinate work with persons involved in the construction works
- Set up, secure, maintain and clear construction sites and initiate measures to safeguard the work process and ensure safety, health and safety at work and environmental protection at the construction site
- Implement quality assurance measures and document own work results
- Invoice for services provided and draw up site plans
- Operate and maintain tools, machinery and plants
- Carry out measurements, use and apply plans and drawings, prepare sketches, including digitally
- Carry out energy efficiency measures, in particular the installation of materials on floors to insulate against heat, moisture, noise and fire and the installation of barriers to protect against ground moisture
- Build dry construction elements, in particular the installation of double and cavity floors and the laying of prefabricated screeds with sub-constructions
- Check, evaluate and prepare underlying surfaces
- Produce various types of screed, including as sloping layers and levelling topping, with and without reinforcement members
- Lay sandwich layers, screeds on separation layers and floating floor coverings both manually and mechanically
- Lay textile and elastic coverings made of boards, sheeting and laminates
- Apply layers of synthetic resin and lay synthetic resin screeds
- Build industrial screeds and concrete floors
- Produce exposed screeds
- Design surfaces
- Restore and maintain screeds and coverings
- Carry out related works in the construction and structural engineering sectors.

## 4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE (1)

Screed layers work for screed or floor laying companies. They also find employment with specialist floor technology companies or with other companies in the main construction industry.

(1) if applicable

## (\*) Explanatory notes

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.

More information on transparency is available at: [www.europass.cedefop.eu.int/transparency](http://www.europass.cedefop.eu.int/transparency)
